

What is a Career Fitness Assessment?

A Game-Changer

A Career Fitness Assessment gets to the root cause of work days that don't feel good and starts an action plan that attracts better experiences.

A North Star

Each coaching session and activity sheds light on what to change that you tell yourself and others so you are more seen, heard and valued.

A Transformative Experience

This professional development opportunity begins a path on your career journey that invites in more ease, abundance, and satisfaction.

What clients have said:

“Shea’s coaching sessions exceeded my expectations. She is an expert on what she does, very knowledgeable and goes an extra mile to help you shine by providing many different tools, feedback, exercises, and excellent tips.”

-Paula

More client feedback:

“Shea Ki is intuitive, knowledgeable, well prepared, and provides focused guidance and critical insight. Her advice is concrete, specific, actionable.”

-Shannon

Limited Time Lower Pricing

A bundle of 3 coaching sessions with me is normally \$285.

To celebrate 🍁 Autumn, which is my favorite season and my daughter's name...

I'm offering \$50.00 off your Career Fitness Assessment Service Bundle *if your first coaching session with me is booked by October 30th.*

Your Next Step To Career Fitness

Let's confirm we are a good match
to work together.
